Re: Letter of Endorsement for Griswold's Application for I-Jobs II Disaster Prevention Grant Program  
Funding for Sanitary Sewer Collection System Improvements

Dear City of Griswold:

I offer my endorsement and support to the City of Griswold in pursuing improvements to the City's Sanitary Sewer Collection System Improvements for the purpose of Disaster Prevention. I have lived in Griswold my whole life, and I personally know of the problems with the City's sanitary sewer system. I reside in the southwest corner of town, which has the sewer lines in the worst condition. I am also a business owner in Griswold and have experienced the trouble of trying to clean up after a flood event. I also endorse and support the City's application to the I-Jobs II Disaster Prevention Grant Program Funding in their efforts to secure grant assistance from the I-jobs program to help alleviate the overall cost to system users for disaster prevention improvements.

Regards,
